

POMEGRANATE FRUIT POWDER

Powerful pomegranate – the fruit which packs a punch

Renowned for their world-class health qualities, pomegranates are packed full of immunity-boosting Vitamin C. As you cut through the vibrant pomegranate skin revealing jewel-like seeds, it feels like finding nature's very own treasure.

Our production methods place the utmost importance on protecting the unique natural vitamins found in pomegranate fruit. Therefore, our Pomegranate Fruit Powder is made with 100% pomegranate puree, quickly spray dried onto malto dextrin carrier which rapidly preserves many important vitamins and minerals. Our cold-pressed Pomegranate Fruit Powder provides a delicious, easy and natural way to incorporate Vitamin C into products.
